SUBJECT: Road Closure Request – November 29, 2012
Clayton Downtown Christmas Village & Tree Lighting Ceremony

REQUEST: We would like permission to close the portion of Main Street from Smith Street to O’Neil Street from **5:00 pm – 9:00 pm** on Thursday, November 29, 2012.

We anticipate placing a flatbed trailer or stage in the center of the parking area at **Town Square** the day before the event which will be used as a performance stage. It will be removed sometime the following day. We anticipate the use of a small flat trailer or stage to be used for performances at **Horne Square**, which will be placed on the asphalt.

We would also like permission to close, on November 29, 2012:

- Town Square parking lot from Noon to 9:00 pm
- Horne Square parking lot from 6:00 am – 9:00 pm (alternate parking is available in the gravel lot behind HomeTowne Realty and DDA will notify all business and property owners ahead of time).

The purpose of the closure is The Clayton Downtown Christmas Village & Tree Lighting. Last year’s event was another big hit for downtown attracting more than 4,500 people.

The DDA’s Promotion Committee, is organizing this event that continues the dance and choral performances of local students and the Tree Lighting, but also promotes downtown Clayton as a social and commercial center of Clayton.

The “Live Christmas Village” will include activities such as: a business open house; dance, choral and musical performances along Main Street; storefront decorating contest; and a live nativity. Santa Claus will also be on hand and Mayor McLeod has agreed to be our emcee and will sing prior to the Tree Lighting at Town Square.

We are working with Town’s Special Events Committee which includes Police, Public Works and Fire Department officials to continue to provide a safe and positive experience for the citizens of Clayton.

Promotional and informational signage and banners will be erected to promote the event and direct attendees.

Thank you for your continued support of downtown Clayton.
