

**TOWN OF CLAYTON  
FIRE PREVENTION WEEK -- October 9 - 15, 2011**

**WHEREAS**, public fire education means teaching people how to protect themselves against the dangers of fire; and

**WHEREAS**, the danger of fire does exist in our community, as it does across the nation; and

**WHEREAS**, most fire and burn injuries are preventable; and

**WHEREAS**, through education, citizens can learn how to prevent fire and how to react in case it happens; and

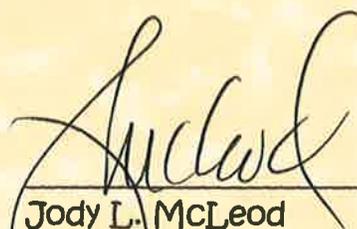

**WHEREAS**, families are encouraged to discuss a family meeting place in the event of a fire and to get out and stay out; and

**WHEREAS**, the 2011 Fire Prevention Week theme, "It's Fire Prevention Week! Protect Your Family from Fire!" effectively serves to remind us all of the simple actions we can take to stay safer from fire during Fire Prevention Week and year-round; and

**NOW THEREFORE**, the Clayton Town Council urges all citizens to learn about fire safety.

Duly proclaimed this 3rd day of October 2011, while in regular session.
